Corrections Bridge the Gap List

Would you be willing to take someone who is getting out or a Correctional facility to their first meeting as they are released? The chance of a successful transition and staying sober is greatly increased if the person goes to a meeting the same day as they are released. Help them Bridge the Gap by giving them a ride to a meeting. You are not a sponsor, just a ride to a meeting. The coordinator gets the call for a ride and then calls you. If you are willing to do this 12 Step work please sign here!
