

The DUI Speakers Committee is recruiting a pool of Volunteer Speakers for Rhode Island State Driver Retraining Classes.

Classes will be held at CCRI College Campuses throughout the state. We are asked to give a short overview of what AA is, and is not, and how to find us if you want to stop drinking

Speaker guidelines will be provided and discussed ahead of time. Classes are typically scheduled with 2 weeks notice, and we will reach out to you regarding your availability.

Interested Volunteers please contact Rhode Island Central Service 401-438-8860 or Gordon E. at Gordone1256@gmail.com
