Unity  
Third Tradition – Long Form

Our membership ought to include all who suffer from alcoholism. Hence, we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.

"It must never be forgotten that the purpose of Alcoholics Anonymous is to sober up alcoholics. There is no religious or spiritual requirement for membership. No demands are made on anyone. An experience is offered which members may accept or reject. That is up to them."
